Crime Stoppers of Central Indiana (CSCI) is asking the public to help with a current problem that has been sticking it's head up all over the Indianapolis area. Violence at Bars, Nightclubs, and Events Halls has been responsible for some of the worst incidents in Indianapolis recently. Incidents at JD's Pub, Team One, Ebony and Ivory, Taps and Dolls, and Tiki Dolls have come under the watchful eye of the IMPD Commercial Crimes Branch. Commercial Crimes has asked that the public let them know if they have knowledge of violations including but not limited to operating without proper permits or licenses, bootlegging, serving minors, overserving patrons, serving alcohol after 3 AM, exceeding posted occupancy load, adult entertainment in violation of zoning, tax evasion, or the location has created an environment of chaos, disorder and violence. Crime stoppers of Central Indiana asks that you send an email to William.carter@indy.gov or Christopher.boomershine@indy.gov if you have any information on these issues.
