By way of background, PSSI is a privately held, non-unionized sanitation contractor who has sanitized Indiana Packers Corporation facility since March 11, 2016. Recently, we received unforeseen notice from Indiana Packers Corporation that it has decided to contract Delphi, IN location meaning that PSSI will cease services at this plant effective December 8., 2023. This will result in the layoff or relocation of all PSSI employees at this plant.

All 76 affected employees have been notified of the contract termination. Attached to this letter is a copy of the notification being provided to all employees at this facility. As stated in the notification to the employees, all employees at this location will be offered a job transfer to another PSSI plant in the area. However, bumping rights do not exist.
